MINERAL KING FILM COMMITTEE

ANNOUNCING - PREMIERE SHOWING OF THE MINERAL KING FILM

You are cordially invited to attend a banquet at the Town & Gown, University of Southern California, followed by a premier showing of the Mineral King documentary film at Bovard Auditorium, also on the University campus, Saturday, January 22 at 7 o'clock in the evening.

This film has been produced in association with the Division of Cinema of the University of Southern California, and we feel it will help clarify the Mineral King controversy. It should also be of special interest to those of you who already know this lovely area. Narrated by Mr. Burgess Meredith, the film is a combination of the colorful historical background of the area, up-to-the-minute information and interviews with officials from both sides of the issue, and ample footage of the gorgeous valley that is Mineral King. It should be of vital interest to everyone.

There will be no charge for the film, which will be shown at 8:30 P.M. The campus is located south of the Santa Monica Freeway and west of the Harbor Freeway between Figueroa and Vermont. There should be plenty of parking nearby.

We hope you will plan to attend both the banquet and the screening of the film. Bring your friends. What could be more fun than a gathering of Mineral King lovers?

To make reservations for the banquet, return the tear-off in the enclosed envelope as soon as posible. We cannot accept reservations later than January 15. For additional information call or write:

Jean Koch (213) 645-0721
